"To recognize and honor those individuals who have made exceptional contributions to the achievements and prestige of the University of Missouri in the field of athletics, and who have continued to demonstrate in their lives, the values imparted by intercollegiate athletics."

The University of Missouri Intercollegiate Athletics Hall of Fame was made possible by the 1989 bequest of $100,000 from the estate of the late A.C. (Ace) and Mary Stotler. It is located in the lobby of the main entrance to Mizzou Arena, after being housed in the Hearnes Center until the fall of 2004. The first class was enshrined in 1990, in conjunction with Mizzou's observance of its 100th football season.

Induction into the Hall of Fame is the highest honor bestowed upon a Mizzou student-athlete, coach or administrator.

The general public is invited to submit nominations by filling out the online form at www.MUTigers.com. For more information, please contact Chad Moller, Associate AD-Strategic Communications, University of Missouri, P.O. Box 677, Columbia, MO 65205.

MEDIA CREDENTIALING CRITERIA

The University of Missouri's decision to issue credentials to a media outlet for the purposes of covering a Mizzou Athletics event is determined by a variety of factors. They include the following:

- Space availability;
- Distribution/size of outlet: free, subscription, sale on newsstands, website traffic, etc.;
- Length of existence of the publication, amount of original copy generated, number of full-time employees of the publication and the journalistic experience of the reporter(s);
- Radio or TV station program format and audience size;
- Amount of coverage given to Mizzou through the season;
- Intention/ability to cover all 20 sports at Mizzou;
- Attendance at Mizzou media sessions, including Olympic sport opportunities;
- Professionalism, which includes but is not limited to conduct at games, press conferences, practices, on social media, etc.;
- Compliance with SEC media policy.

The University of Missouri has the right to deny or revoke credentials under its own discretion.

CREDENTIAL REQUEST PROCEDURE

For those who meet the criteria, season credentials will be issued as a "combo" credential for football and men's/women's basketball. When applicable, this season pass may also be used for admittance to home events for Mizzou Olympic Sport programs, please check with the sport contact to verify.

Requests for single-game credentials should be made as far in advance as possible.

- For football and men's basketball single-game credentials, requests must be made five days prior to game day online at Sports Systems.
- For all other sports, please contact the Communications staff member in charge of media operations of that sport (see staff directory) at least 24 hours prior to game day.
- Media covering all Mizzou sports are subject to the SEC credential policy:
  https://clients.sportssystems.com/clients/seccredentials/

INTERVIEW POLICIES

All interviews with University of Missouri student-athletes or staff members must be arranged through the Athletics Communications office. Media are asked to never contact a player or coach directly.

In general, athlete and staff interviews are conducted prior to or after practices, after contests or by phone.

All pre-contest and telephone interviews must be made at least 24 hours in advance through the Communications office. Interviews will be scheduled when student-athlete and staff schedules allow.

For post-event interviews, there is generally a 20-minute cooling off period. Interviews will either be conducted on the playing field, outside the team locker room area, or at a formal press conference setting, depending on the sport and facility.

Playing fields, team locker rooms and other team quarters are private team areas. Media members are not permitted in these areas unless accompanied by appropriate Athletics personnel.

PHOTO AND VIDEO REQUESTS

Media members wishing to obtain photos and logos related to Mizzou Athletics should contact the Athletics Communications contact for the sport (see staff directory for sport assignments). Special photo galleries for media access are available following many events.

DR. MUN Y. CHOI

PRESIDENT, UNIVERSITY OF MISSOURI
Third Year
Illinois, 1987

Mun Y. Choi was named the 24th president in the history of the University of Missouri System in November 2016, and began in March 2017. As president, Dr. Choi serves as the chief executive and academic officer of the UM System, a land-grant institution that provides centralized administration for four universities, a health care system, and extension program, and ten research and technology parks. Dr. Choi oversees all academic, public, business, financial and related affairs of the UM System under the policies and general supervision of the University of Missouri Board of Curators.

As a product of and passionate champion for public higher education, Dr. Choi advocates tirelessly on behalf of the four universities of the UM System with state and national business, political and civic leaders to achieve excellence. In partnership with the board and university leadership, Dr. Choi introduced a new collective vision for the UM System in September 2018: to advance the opportunities for success and well-being in Missouri, the nation and the world through transformative teaching, research, innovation, engagement and inclusion.

To fulfill this vision, Dr. Choi announced the Missouri Compacts for Achieving Excellence, a plan that includes $260 million in strategic investments. The Missouri Compacts are a promise to achieve excellence through student success; research and creative works; engagement and outreach; inclusive excellence; and planning, operations and stewardship to best serve our students and Missourians. Supported by one-time investments from the UM System, the Missouri Compacts support the universities' five-year strategic plans.

Dr. Choi's leadership has been instrumental in moving the University of Missouri System forward and strengthening the collaboration between the four universities in the system. Since he took office, the university has changed dramatically, including the reversal of significant student enrollment declines at the flagship campus, administrative and budget transformations that support a more efficient and collaborative environment and the restoration of public funding through a dramatically improved relationship with the Missouri legislature. Most importantly, Dr. Choi is widely recognized to have regained the trust of the university community, alumni, legislators, and Missourians by changing the attitude of the entire state towards higher education.

Before serving as the UM System president, Dr. Choi's 25-year career in higher education included serving as assistant and associate professor at the University of Illinois at Chicago (1994-2000), department head of mechanical engineering and mechanics at Drexel University (2000-2008), then dean of engineering at the University of Connecticut (UConn) (2008-2012). Later, he took on the role of provost and executive vice president at UConn (2012-2017).

Dr. Choi is married with three children and resides in Columbia, MO.

DR. ALEXANDER N. CARTWRIGHT

CHANCELLOR, UNIVERSITY OF MISSOURI
Third Year
Iowa, 1989

Since joining the University of Missouri in August 2017, Chancellor Alexander N. Cartwright has continuously advocated for student success initiatives, growth of scholarship across all disciplines and Increased efforts to improve engagement with Missourians and beyond.

During 2018, Dr. Cartwright led MU in developing a blueprint for the next five years — The Flagship of the Future. This strategic planning document lays groundwork for innovation and growth at Missouri's flagship, land grant university.

Shortly after arriving at MU during fall 2017, Dr. Cartwright announced the Missouri Land Grant program, a commitment to helping students who are Pell Grant eligible by covering their tuition and fees. He has since launched programs designed to improve retention and graduation rates as well as post-graduation outcomes for students.

As part of the strategic planning process, MU has developed a roadmap for significantly increasing it's more than $200+ million annual research expenditures, along with other key scholarship metrics, by creating faculty development and support programs. He continues to focus on economic development as an outcome of being a research university across the state – building on the current annual

$3.9 billion economic impact MU has on Missouri.

During his first year on campus, MU experienced a record year for cash donations as the university's endowment — and ongoing capital campaign, 'Our Time to Lead' — exceeded the $1 billion mark.

Dr. Cartwright came to MU from the State University of New York (SUNY) where he served as provost and executive vice chancellor from September 2014 to July 2017. At SUNY Dr. Cartwright oversaw a broad portfolio, including

academic policy, enrollment management, and more. Dr. Cartwright came to the role of SUNY's provost from the University at Buffalo, State University of New York

(UB), where he served on faculty since 1995. At UB, he held several senior administrative positions, including vice president for research and economic development and acting executive director of the New York State Center of Excellence in Bioinformatics and Life Sciences. In these roles, he was responsible for campus/industry relations, research funding and compliance, and research support for UB and the Center.

An internationally recognized researcher and scholar in the area of optical sensors, he is a fellow of the American Association for the Advancement of Science, SPIE, and the National Academy of Inventors.

Dr. Cartwright is a prior winner of both the National Science Foundation CAREER Award and the Office of Naval Research Young Investigator Award. In addition, he earned the 2002 SUNY Chancellor's award for excellence in teaching.

A native of the Bahamas, Dr. Cartwright holds a PhD in electrical and computer engineering from the University of Iowa. He and his wife Melinda have two children, both now in college, Andrew and Alyssa.

PAMELA HINTON

FACULTY ATHLETICS REPRESENTATIVE
19th Year
Wisconsin, 1991

Dr. Pam Hinton was appointed Faculty Athletics Representative in May, 2017, for a five-year term. Previously, Dr. Hinton served as an executive member of the Intercollegiate Athletics Committee (IAC) and was the IAC Compliance Subcommittee Chair and the Student-Athlete Welfare Subcommittee Chair. Her dedication to the welfare of our student athletes was evident during her time on the IAC.

Dr. Hinton has served in the Department of Nutrition and Exercise Phisiology since 2000. She has been an Associate Professor of Nutritional Sciences at MU since 2006, and has served as the department's Director of Graduate Studies, Nutritional Sciences, since 2010.

Dr. Hinton's lab investigates the interactive effects of nutrition and physical activity on bone health. In particular, Dr. Hinton's lab is studying the effects of energy balance on bone turnover during weight loss and weight maintenance in overweight individuals. In addition, Dr. Hinton is studying the efficacy of exercise-based interventions to increase

bone mineral density in osteopenic males.

She was a student-athlete at the University of Wisconsin, competing in track and cross country. She earned a bachelor's degree, with, distinction, in molecular biology, which provides her with firsthand knowledge of the demands placed on student athletes.

JIM STERK

DIRECTOR OF ATHLETICS
Third Year
Western Washington, 80

Jim Sterk was named Mizzou's 20th Director of Athletics on Aug., 9, 2016, following highly successful tenures leading athletics programs at San Diego State, Washington State and Portland State.

"This is a wonderful day for Mizzou and Tiger fans everywhere," said then-University of Missouri Interim Chancellor Hank Foley, who selected Sterk following a nationwide search. "Jim's leadership in intercollegiate athletics is unparalleled, and we are thrilled he is going to bring his talents, energy and passion for working with student-athletes to Columbia. He is just what Mizzou needs at this time."

Sterk's Win It Right vision for Mizzou Athletics is built upon the core values of Respect, Integrity, Gratitude, Humility and Together, and his first three years in Columbia have produced unprecedented academic and athletic success under his leadership.

The classroom achievements of Mizzou's student-athletes continued in 2018-19, as they produced the top two semester grade-point averages in school history with an overall record 3.125 for the Fall 2018 semester and a record Spring term 3.11 mark. All-told, more than 60 percent of MU's nearly 550 student-athletes achieved a 3.00 mark in the classroom each semester. Some 357 student-athletes earned University Dean's List honors for at least one semester, 265 were named to the SEC Academic Honor Roll, including 69 selected to the SEC First-Year Freshman Honor Roll, and 101 completed their Mizzou Made journey by earning their degrees.

Mizzou's NCAA academic metrics remain strong, as it produced a school-record tying Graduation Success Rate (GSR) of 91 for the second-straight year to rank third in the SEC behind Vanderbilt (97) and South Carolina (94), as no other league school produced a mark higher than an 89. It marked the 12th-straight year Mizzou equaled or improved its GSR score as five teams produced SEC-leading marks of 100--Baseball, Women's Basketball, Women's Golf, Women's Tennis and Soccer.

After finishing a school-record 33rd in the Learfield IMG Directors' Cup standings in Sterk's first two years, Mizzou placed 51st in 2018-19, which was still a five-place improvement over its average finish of 56th in the award's first 25 years, and 15 of 20 programs were represented in the postseason either as teams or individuals. Mizzou Football, which played in back-to-back bowl games for the first time since the 2013 and 2014 seasons, was one of six Tiger programs to finish among the nation's Top 25 as it was 23rd in the final College Football Playoff rankings to join Wrestling (sixth-place NCAAs), Men's Swimming & Diving (11th-place, NCAAs), Women's Gymnastics (17th), Women's Swimming & Diving (23rd, NCAAs) and Volleyball (23rd). Mizzou Wrestling also swept the Mid-American Conference regular-season and tournament titles for the second-straight year.

Administratively, Sterk and his team continued to position Mizzou Athletics for future successes. Ground was broken in March 2018 on the largest campus construction project in school history, the $98M South End Zone Facility, Mizzou Football's new den that will open ahead of the 2019 season. The Tiger Scholarship Fund (TSF) saw a $17M increase over the previous year's productivity en route to its third-highest year ever in total cash and pledges of $40.7M, which included a second-straight record-setting year in student-athlete scholarship support of $11.4M. It marked the first time TSF produced top three marks in the same year for annual fund dollars raised (No. 1), cash donations (No. 3) and productivity (No. 3). A new 10-year multi-media rights agreement with Learfield was signed, and the department entered into a partnership with the City of Columbia to build a new championship cross country course that will open in August 2019. Mizzou Athletics also continued to build upon its successful partnership with MU Extension in outreach to the state's citizens.

Sterk's second year in Columbia saw Mizzou student-athletes post an overall then-record grade-point average of 3.04 for the 2017-18 academic year. In the 2017 Federal Graduation Rates survey, Mizzou ranked second in the SEC with its 72 percent mark, a performance which also matched the highest mark in program history (72 percent in 2014-15) and was three points higher than the University's average for all students during that same span.

Mizzou equaled its best finish ever in the 2017-18 Learfield Directors' Cup standings, as it totaled 660.75 points to finish 33rd nationally for the second-straight year. A record 17 of the Tigers' 20 programs were represented in postseason competition with a school-record 15 earning Directors' Cup points. Mizzou captured a pair of conference titles (Mizzou Wrestling won the MAC regular season and tournament crowns) while 11 teams ranked in the nation's Top 25 at some point in 2017-18.

The Tigers produced Top 25 2017-18 NCAA Championship finishes in Wrestling (sixth), Women's Indoor Track & Field (ninth), Women's Outdoor Track & Field (11th), Women's Swimming & Diving (15th), Volleyball (Sweet 16) and Men's Swimming & Diving (23rd). It also marked the first time since 1981-82 that Mizzou Football played in a bowl game and both Tiger Basketball teams reached the NCAA Tournament in the same academic year. Track & Field standout Karissa Schweizer (3,000m and 5,000m at the NCAA Indoor Championships; 5,000m at NCAA Outdoor Championships) captured three more NCAA individual titles as a senior to cap her fabulous collegiate career with six national championships.

Mizzou Athletics enjoyed academic, athletic and administrative success in Sterk's first year, too.

Academically, 269 Mizzou student-athletes received 2016-17 SEC Honor Roll recognition, 14 teams registered a 3.00 grade-point average for the Spring 2017 semester and four teams recorded perfect NCAA Academic Progress Rate marks of 1,000—Women's Golf, Women's Tennis, Soccer and Volleyball. Tiger student-athletes also spent over 4,800 hours volunteering with more than 50 organizations in Columbia and the surrounding communities.

Fueled by Top 16 NCAA Championship finishes in Wrestling (fifth), Women's Indoor Track & Field (eighth), Men's Swimming & Diving (ninth), Women's Swimming & Diving (13th), Women's Cross Country (16th) and Volleyball (Sweet 16), Mizzou ranked a program-best 33rd in the 2016-17 Learfield Directors' Cup standings with a school-record 662.75 points. The Tigers had not finished better than 36th prior to 2016-17.

Sixteen Mizzou teams were represented in 2016-17 NCAA postseason play, two teams won conference titles (Volleyball and Wrestling) and 10 squads ranked among the nation's Top 25 in their respective

sports at season's end. In addition, two Tigers combined to win four NCAA individual titles as wrestler J'den Cox won his third national title at 197 lbs., and Schweizer became just the fourth runner in NCAA history to win the women's distance triple crown (cross country, indoor 5,000m and outdoor 5,000m national titles), and first since 2008.

The generosity, loyalty and passion of more than 7,000 donors allowed the Tiger Scholarship Fund (TSF) to raise a school-record $50.4 million during the 2016-17 fiscal year, shattering the previous record by more than $4.7 million. TSF's record-breaking total, which included new pledges and cash gifts, was aided by a school-record 11 gifts of $1 million or more.

Sterk joined the Mizzou family from San Diego State, where he enjoyed a highly-successful six-year tenure that included arguably the most successful five-year run in Aztec history with 32 team conference championships from 2011-12 thru 2015-16, including a Mountain West Conference-leading 28 titles in that span, and the nation's fourth-highest combined winning percentage in football and men's basketball. In addition, SDSU was one of only four schools nationally to have appeared in six-consecutive NCAA Men's Basketball Tournaments and have its football team play in five-straight bowl games over that stretch.

"Jim elevated SDSU to a respectable level both athletically and academically," said Marshall Faulk, a member of the Pro Football Hall of Fame and former St. Louis Ram and SDSU Aztec. "His leadership was instrumental in the rise of SDSU success. How we cared for our student-athletes was his No. 1 concern. While I'm sad to see him go, I am equally happy for Jim and his family, and I told him he is going to love the people of Missouri. Mizzou, you hired a man with impeccable integrity."

SDSU set a school-record with 13 programs setting multi-year highs in the NCAA's 2016 Academic Progress Report with 313 student-athletes honored for their academic achievements. The athletic department also enjoyed a record fundraising year for scholarships and a new basketball facility.

Sterk was named the 2015-2016 Under Armour Athletic Director of the Year by the National Association of Collegiate Directors of Athletics, which highlights the efforts of athletic directors for their commitment and positive contributions to student-athletes, campuses and their surrounding communities. He was also appointed to the NCAA Division I Men's Basketball Committee as the Mountain West Conference's representative, however, he had to relinquish that prestigious position when he took over at Mizzou.

"My passion is building upon the successes of good athletic programs and helping to make them great," Sterk said. "Whether it is guiding and mentoring student-athletes, working with coaches to ensure they have the resources they need or cheering with the fans, I realize that athletics is one of the most visible programs at a university, and I am excited to lead it on the national stage."

Sterk went to SDSU from Washington State, where he served as athletics director from 2000-10. Prior to his hiring at WSU, he was athletics director at Portland State from 1995 to 2000.

The NCAA recognized WSU and Sterk in 2006 as the Division IA Athletic Directors' "Program of Excellence." He oversaw a period of unparalleled success at WSU with historic academic and athletic accomplishments during his Pullman tenure.

In his last three years at WSU, 13 Cougar teams competed in NCAA Tournaments, including back-to-back trips by the Men's b=Basketball team (2007 and 2008), while Women's Rowing earned five NCAA championship bids, including a fourth-place finish in 2006, the highest finish ever by a WSU women's team in NCAA competition.

A 1980 graduate of Western Washington University, Sterk earned four letters for the Vikings in football and one in basketball. He was credited with a school-record 164 tackles during the 1977 season, garnering first-team NAIA District I all-star accolades. He was named team captain and MVP, helping the Vikings to the district championship game. In 2010, Sterk was inducted into Western Washington's Athletics Hall of Fame for his gridiron success.

He received his master's degree in sports administration from Ohio University. In addition to SDSU, Washington State and Portland State, he has served in athletic administrative positions at North Carolina, Maine, Seattle Pacific and Tulane.

Sterk and his wife Debi have three daughters: Ashley, Amy and Abby, and an infant granddaughter Kinsley Jane.

BRYAN **BLITZ**

HEAD COACH
24TH SEASON
TULSA, 1987

Bryan Blitz begins his 24th season at the helm of the Tigers soccer program and enters 2019 with a 241-201-35 record at Missouri since he was hired as the program's first head coach in 1996. A dedicated coach, there is little time off the field when he is not working to improve his team. Making an immediate impact to the program with his stellar recruiting techniques and offensive tactics, Blitz has set a standard by enlisting some of the nation's top players each season and deploying them high up the field to fill his vision of playing with relentless heart while applying constant pressure.

During his 23 seasons roaming the sidelines with the Tigers, Blitz had led the program he built from scratch to seven NCAA appearances, most recently in 2016. He has also managed the move from the Big 12 over to the SEC with class, as his Tigers have never missed the postseason in the seven years they have been in the conference. His teams have also never lost a conference opener as a part of the SEC and own a 36-31-6 conference record since joining the league.

Blitz is also a player's coach, as he has helped cultivate individual talent throughout his tenure with the Black & Gold. During his time in the SEC alone, Blitz has helped 18 of his players achieve postseason honors. Most recently, junior forward Sarah Luebbert earned SEC first-team honors, senior goalkeeper Kelsey Dossey earned SEC second-team honors, while freshman forward Julissa Cisneros was named to the SEC's All-Freshman team. Overall, Blitz has helped 40 of his players achieve postseason honors.

For his outstanding work, Blitz has earned Coach of the Year honors three times in his career. He was named the SEC's Coach of the Year in 2015, while earning the honor in the Big 12 in both 2007 and 2009.

Though the 2018 and 2017 squads both underachieved when measured against Blitz' exceptionally high standards, there were moments during both seasons that provided glimpses of Blitz's brilliance and leadership. In 2018, Mizzou knocked off Florida at home on senior day, the first time the Tigers had beaten the Gators since 2013. The Tigers also pushed eventual SEC Tournament champion LSU to the brink in round one of that event, playing a truly thrilling game that saw the squad fall in the 104th minute on a penalty kick. In 2017, meanwhile, Blitz's crew grabbed their first SEC Tournament win since 2012 with the team's 3-1 win over Alabama in round one. It was only the program's second SEC Tournament victory ever.

The 2016 squad finished the year with an 11-7-2 record overall and 6-4-1 mark in Southeastern Conference action, and earned the Tigers' most recent NCAA berth. Freshman Sarah Luebbert became only the second Tiger in program history to claim conference freshman of the year honors, as she was voted the SEC Freshman of the Year. Melanie Donaldson also was named to the SEC's first team.

In 2015, Mizzou finished the season a program-high second in the SEC regular season standings with a 7-2-2 record in conference play. Mizzou allowed 17 goals on the season, the fewest in program history, bettering the 19 allowed in 2008. Blitz earned SEC Coach of the Year Honors for leading the Tigers to a 9-5-5 season, while three Tigers earned All-SEC honors. Candace Johnson was named to the All-SEC first team while Reagan Russell and Melanie Donaldson were both named to the All-SEC second team.

During the 2014 campaign, Blitz led the Tigers to a 12-7-3 record and a 6-4-1 mark in SEC action, including a 7-1-1 record in home contests. Blitz guided Mizzou to the NCAA Tournament for the sixth time in program history and advanced to the second round after posting a 3-1 win over Kansas in the opening round.

In 2013, Mizzou knocked off three Top-25 teams, which matched the most wins over ranked opponents for the Tigers since 2008. Missouri recorded its first ranked win with a 1-0 defeat over No. 7 Florida, then handed No. 7 South Carolina only its second loss of the season on Oct. 18 and posted a dramatic 2-1 double-overtime win at No. 25 Kentucky on Oct. 25.

In the program's first season in the Southeastern Conference, Blitz led the Tigers to a 14-7-1 mark and their fifth NCAA Tournament berth. The squad's 14 wins tie for the second-most in a single-season. Mizzou also recorded an 8-5 SEC record and advanced to the semifinals of the SEC Tournament in Orange Beach, Ala.

While in the Big 12, Blitz regularly dominated, winning the Big 12 Tournament in 2008 and winning the conference outright in 2009. Over his 16 seasons in the conference, he compiled 175 total wins.

His best two seasons in the Big 12, and maybe in his career, came in 2008 and 2009. In 2008, Blitz directed his team to a 16-5-2 mark, the Big 12 Conference Tournament championship and into the second round of the

NCAA Tournament for the second consecutive season. Over the course of the year, Mizzou set school records for wins (16), fewest losses (five), shutouts (12), fewest goals allowed (19) and goals against average (0.80), among others.

In 2009 Missouri reached new highs as the team claimed the Big 12 regular season title for the first time in school history. Blitz was honored as the Big 12 Coach of the Year for his work to mark the second time in his career he earned the honor.

Blitz started coaching at Mizzou in 1996, the program's first season ever. He first got his Tigers into the NCAA tournament during his fourth season, as the 1999 iteration of the Black & Gold finished 14-8-1 and 6-3-1 in the Big 12. The Tigers also advanced to their first NCAA Tournament that season, but fell to Marquette in the longest game in program history, 3-2 in quadruple overtime.

Blitz's program had a huge boost early because of his ability to recruit and mold those that signed with him. That was no more evident than with his handling of Mizzou Soccer legend Nikki Thole, whose program records for career points (151), career goals (61), multiple goal games (17) single-season points (55) and single-season goals (23) will probably never be touched.

Blitz began his head coaching career at Butler University as the program's inaugural head coach in 1991. In his fifth season, he took the Bulldogs from obscurity to the national spotlight in an undefeated run through the Midwestern Collegiate Conference and the team's first national ranking. Blitz earned the Midwestern Collegiate Conference Coach of the Year award for his work in the 1995 season and received an invitation to help coach the U.S. Women's National Team.\

Developing Blitz's unique collegiate coaching perspective, he has worked and played in soccer communities around the world improving his knowledge and abilities. Blitz traveled to England to play for one year while he was in college. He returned to the states and to the University of Tulsa, where Blitz helped start the Golden Hurricane women's program as an assistant coach in 1987.

He took two years off from coaching to play in the Southwest Indoor Soccer League and the Northeast Super Soccer League (in Dallas and New York) before a desire to earn a master's degree in business led him to Butler, where he met his wife, Alie. There, he became a graduate assistant for the men's team and two years later took the reins as a women's head coach for the first time.

Blitz, a 1987 graduate of Tulsa, and his wife, Alie, have four children, Madison, Connor, Oliver and Abigail.

DON **TRENTHAM**

ASSOCIATE HEAD COACH
FIFTH SEASON
COLUMBIA COLLEGE, 1999

Don Trentham enters his fifth season on the Tiger coaching staff, serving as an associate head coach. His return was a homecoming for Trentham, who hails from O'Fallon, Missouri, and played collegiately at Columbia College.

In Trentham's four seasons on the Tiger sideline, the Mizzou defense has excelled. The squad recorded the second-lowest goals against average (0.84) in program history in 2015 and allowed only 10 goals in 11 Southeastern Conference matches, a league-best.

Trentham spent three seasons as an assistant coach and recruiting coordinator at Colorado before joining Mizzou. With the Buffs, he helped the program post a record of 36-22-7 and two straight NCAA Tournament berths during that span. Under his guidance, the Buffalo defense posted 29 shutouts and goals against average of 0.98 in his three seasons in Boulder.

Before his time at Colorado, Trentham spent one season as an assistant at the University of Wyoming, helping the Cowgirls to a 12-5-4 record and the program's first-ever spot in the Mountain West Conference Tournament championship game.

Trentham enjoyed a nine-year stint (2002-10) as the head coach at Montana State University Billings, turning around a program that never enjoyed a winning season into a nationally-recognized NCAA Division II program. He finished his career at MSUB as the winningest coach in program history with a record 85-75-10. In 2010, he was named the Great Northwest Athletic Conference Coach of the Year after guiding MSUB to its first-ever NCAA Tournament bid.

He holds a USSF National Goalkeeping license, a NSCAA Advanced National Diploma and a USSF "A" license.

Trentham earned his bachelor's degree in education from Columbia College in 1999 and a master's degree in education in health and physical education from East Stroudsburg in 2007. He and his wife, the former Jennifer Lawler, have two children, Landon and Adelyn.

MOLLY **POLETTO**

ASSISTANT COACH
FIRST SEASON
UTAH, 2015

Molly Poletto enters her first season on the Mizzou coaching staff in 2019. Poletto brings a combined eight years of experience, both as a player and coach. to Columbia.

Poletto joins the Tigers from Boston University, where she helped BU return to the top of the Patriot League this past season, as the Terriers claimed their fourth Patriot League title and advanced to the NCAA Tournament for the 14th time in program history. BU finished with an 11-7-4 record, including an unbeaten mark in Patriot League play at 7-0-2. Poletto was instrumental in guiding the goalkeeping unit to a combined 11 shutouts in 2018.

In Poletto's first season in 2017, she helped guide her goalkeepers to a then-record 10 shutouts as the Terriers finished with a 10-8-3 record and reached the Patriot League tournament semifinals. Under Poletto's tutelage, BU surrendered just 0.86 goals per game and the goalkeepers combined for a .798 save percentage.

The Englewood, Colo., native worked primarily with Utah's goalkeepers in 2016 as a volunteer assistant coach after spending the previous three years as an undergraduate assistant coach. Following her promotion, the goalkeeping crew improved its goals against average from the 2015 season's 1.21 to a miniscule 0.65, while boasting a .860 save percentage after finishing the previous year at .784. The Utes also totaled 10 clean sheets that season.

Poletto originally joined Utah as a student-athlete in the fall of 2011 but saw her collegiate career cut short by injury, leading her to focus on coaching. Beside assisting the Utes, she has also served as the Director of Goalkeeping and an age group head coach for the Utah Avalanche club team, while also working with the state's ODP program.

As a high school goalkeeper, Poletto was named Most Outstanding Player three straight years (2008-10) at Cherry Creek High School in Colorado. She helped lead CCHS to the 2011 Region championship, while also participating in the U.S. Women's National Team Youth program.

She holds a USSF "B" license and serves as an instructor for the USSF "E" licenses. After graduating cum laude from the University of Utah in 2015 with a degree in communications and a minor in psychology, she completed her master's degree in sports psychology in the spring of 2017.

JORDAN **QUINLAN**

VOLUNTEER ASSISTANT COACH
FIRST SEASON
MISSOURI, 2016

Jordan Quinlan returns to her alma mater as a volunteer assistant coach in 2019 for the Mizzou Tigers. Quinlan graduated from Missouri in 2016, where she spent a year and a half as a sports nutrition and strength and conditioning intern for Mizzou Athletics. In that role, she worked with football, women's soccer, softball, track & field and swimming & diving.

Quinlan spent the 2018 season as an assistant coach at Iowa Western Community College. She helped lead the Reivers to a 17-3-1 record in her lone season on the staff. Iowa Western reached the semifinals of the NJCAA National Championships where it took third — while Kauany Sousa and Paola Ochoa were named to the NJCAA All-Tournament team.

Quinlan received her Master of Science in Sport and Exercise Psychology from Northwest Missouri State in 2018. She spent the 2017 season as an assistant coach for the Bearcats' women's soccer program.

Currently a certified mental performance consultant through the Association of Applied Sport Psychology. Quinlan is a certified health coach through the American Council on Exercise. She also holds a USSF "F" license.

KYLE **EMERICK**

DIRECTOR OF PLAYER ANALYSIS
SECOND SEASON
MONTANA STATE BILLINGS, 2015

Emerick enters his second season on the Mizzou women's soccer staff, and first as the Director of Player Analysis. Emerick spent the 2018 season as a volunteer assistant coach.

He joined Mizzou after spending seven years with Montana State-Billings Men's Soccer as both a player and assistant coach. During his three-year tenure as an assistant coach, Emerick helped lead the Yellowjackets to a combined 26-22-7 record. The Montana State-Billings alum also helped cultivate individual talent, as the Yellowjackets boasted two GNAC Newcomer of the Year award winners, five first-team All-GNAC selections and four second-team All-GNAC selections during his stint with the team.

In his final season with the Yellowjackets as an assistant, Emerick helped oversee what was a potent offense, as the 'Jackets finished with the sixth-most goals in school history (36) and the fifth-most total points ever (101).

In 2016, Emerick helped guide the 'Jackets to nine wins, their second-best win-total ever. Their attack was fierce, as the squad scored 40 goals on 36 assists. The program narrowly missed out on a NCAA regional berth.

During Emerick's first season on staff with the Yellow Jackets in 2015, the team posted a winning record for the first time since 2012. The team had arguably the best offense in the GNAC, leading the conference in goals (35), assists (28) and points (98). The 'Jackets coupled this with a solid defensive unit that ranked fourth in goals allowed (24) to finish fourth in the conference.

Emerick also proved to be a dynamic player while at Montana State-Billings, where he played in the midfield and up front during his four-year career. He ended his career with 10 goals, 12 assists and 32 total points earned. In his final season, Emerick was an honorable mention All-GNAC selection.

- Mizzou owns a 4-7 mark in NCAA Tournament games.
- Eight of Missouri's 10 NCAA games have been played at the team's home field of Walton Stadium.
- Mizzou did not play an NCAA Tournament match away from Walton Stadium until 2014.
- Mizzou's first-ever NCAA game, a 3-2 four overtime loss to Marquette in the 1999 first round, stands as Missouri's longest-ever match. The game went 142 minutes.
- The Tigers' all-time leading scorer, Nikki Thole, tallied Mizzou's first-ever NCAA Tournament goal in the game against Marquette.
- Three of Missouri's NCAA games have gone to penalty kicks following two overtime sessions.
- Seven different Tigers have scored in NCAA Tournament games: Michelle Collins, Taylor Grant, Kristen Heil, Danielle Nottingham, Candace Ruff, Reagan Russell, Mallory Stipetich and Nikki Thole.
- Collins, Grant and Thole scored two goals in NCAA games. Both of Thole's came against Marquette in 1999, Collins scored one against SEMO in 2007 and the other against Evansville in 2008, and Grant tallied two against Kansas in 2014.

NCAA TOURNAMENT - FIRST ROUND

Nov. 10, 1999 • Columbia, Mo.

Marquette 3, Missouri 2 (4OT)

COLUMBIA, Mo. - The University of Missouri women's soccer team was defeated in the first round of the 1999 NCAA Tournament by Marquette, 3-2 in four overtimes. The match, which was the longest in both programs' history, was decided in the 142nd minute when Marquette's Amy Hnatow scored her first career goal.

After 35 minutes of scoreless play, Marquette got on the board with a score from Kate Gordon, her ninth goal of the season. The score stayed 1-0 at halftime before Marquette added its second goal in the 54th minute. Erin Morgan netted her eighth of the season on a pass from Lannette Rossini and Marquette led the Tigers 2-0.

Just over two minutes later, Nikki Thole put MU on the scoreboard when she knocked home a goalie deflection with a soft header. Thole's 22nd goal of the season got Missouri back in the match and reenergized the Tigers.

After she was hauled down in the penalty box, Thole scored the equalizer on a penalty kick that beat Marquette's goalkeeper low right. From that point on, nearly a full match was played before the next goal was scored.

Three full overtimes, and most of the day's sunlight, came and went with the team's trading opportunities in the extra periods. At 141:13, Hnatow placed a shot over Missouri goalkeeper Jackie Adamec's head from the right side and Marquette had the victory.

Missouri 1, Eastern Illinois 0

COLUMBIA, Mo. - Appearing in their first NCAA Tournament match in four years, the Tigers continued their hard fought postseason rally defeating Eastern Illinois 1-0. The victory marked Mizzou's first NCAA Tournament win in program history.

After a lackluster first half, Mizzou didn't waste any time shining up the scoreboard during the second period. Just three minutes into play, Kristen Heil put Mizzou up 1-0 scoring her 10th goal of the season.

Preparing the scoring play deep in the midfield, forward Melissa Peabody sliced a pass to Adriene Davis in the midfield circle, who then played a perfect pass to Heil at the top of the penalty box. Heil then bested two EIU defenders and keeper Tiffany Groene to deliver the game-winner.

NCAA Tournament Second Round
Nov. 16, 2003 • Columbia, Mo.

Kansas 2, Missouri 0

COLUMBIA, Mo. - Riding through a roller coaster season, the Missouri soccer team ended the 2003 campaign with loss in the second round of the NCAA Tournament to No. 16 Kansas, 2-0.

Backed by solid defensive play, Mizzou's offensive squad was able to concentrate its efforts on the KU net. Jennifer Nobis pulled out an exhilarating break away, but lost the ball to an aggressive play by Jayhawk keeper Meghan Miller.

Mizzou's defensive squad continued its valiant efforts, thwarting Kansas in the backfield. Unable to best the Tigers one-on-one, the Jayhawk offense finally found fruition in one of their nine cornerkicks. Lobbing a ball into the penalty box, the two teams batted the ball through the arcade of bodies until Smith caught a sharp foot on the ball and sailed it over the goal line.

Down 1-0 with just 13 minutes ticking on the clock, Missouri frantically tried to even out the score. Despite several extraordinary attempts by Davis, the Tigers struggled to come back. The frenzy opened up KU's second scoring play that dropped MU with a 2-0 deficit with just two minutes left to play. Kimberly Karfonta lofted a ball from midfield to Carmel Kaplinger who dribbled the ball to score.

Missouri 1, SEMO 1 (2-0 PK)

COLUMBIA, Mo. - The 23rd-ranked Missouri soccer team tied Southeast Missouri State (SEMO), 1-1, with the Tigers advancing to the second round of the NCAA Tournament on penalty kicks. The Tigers and Redhawks were scoreless through 67:36 of action before the game was decided, 2-0, on junior Kat Tarr and junior goalkeeper Mallory Forst's shootout shots.

Sophomore Michelle Collins came up with Missouri's first goal of the night, dribbling the ball in from the top of the box. Shooting from eight yards out, Collins beat the keeper to the right, scoring 16:26 into the game. The goal was Collins' 12th of the year.

After SEMO tied the game and a scoreless overtime session, five Tigers were selected from the lineup to take Missouri's penalty shots. Tarr made Missouri's first penalty kick attempt but SEMO missed all four of theirs before Forst stepped up and hit her shot to advance the Tigers to the second round.

USC 1, Missouri 0

COLUMBIA, Mo. — The eighth-ranked USC Trojans (16-3-2) defeated the 23rd-ranked Missouri Tigers (13-8-1), 1-0, in the second round of the NCAA Championship in Columbia, Mo.

USC scored the game-winning goal on a header from less than five yards out by midfielder Ashley Nick with 5:12 remaining in the second overtime period. USC midfielder Megan Ohai tallied the assist off a throw-in.

The first half ended scoreless, with Missouri out-shooting the Trojans, 5-3. Missouri's best scoring chance came just four minutes into the game. Alysha Bonnick delivered two shots from inside the box, both saved by USC goalkeeper Kristin Olsen.

USC dominated the first overtime, out-shooting the Tigers, 5-2. Five minutes into overtime USC's Amy Rodriguez ripped a shot from just inside the box that was saved by keeper Mallory Forst. Missouri's only scoring chance came with 18 seconds left when Michelle Collins took a pass from midfielder Mo Redmond and had a break away. After a shifty move, Collins fired a shot to the near post from six yards out but the USC goalie smothered the shot.

NCAA Tournament First Round
Nov. 14, 2008 • Columbia, Mo.

Missouri 2, Evansville 0

COLUMBIA, Mo. — Michelle Collins and Candace Ruff each scored a goal in the first half to give Missouri a first-round victory. With rain falling on the field and 14 mph winds coming from the northwest, the Missouri women decided to waste no time in securing their spot in the regional championship game.

Michelle Collins started things early for Mizzou as she took a pass from Crystal Wagner and sent a shot past Evansville goalkeeper Theresa Bagby in the third minute of play. The goal marked Collins seventh on the season and gave the Tigers a 1-0 lead. The Aces weren't able to keep Mizzou quiet. Just thirty minutes after Collins' goal Ashley Hamblin passed one to Candace Ruff for the Tiger's second score of the game and Ruff's second career goal. Missouri recorded 16 shots in the first period while Evansville attempted just one.

NCAA Tournament Second Round
Nov. 16, 2008 • Columbia, Mo.

Illinois 1, Missouri 1 (4-3 PK)

COLUMBIA, Mo. - Missouri ended its season in a penalty kick shootout to the Illinois Fighting Illini, 4-3, after a 1-1 game after two overtimes in the second round of the NCAA Tournament.

Freshman Kelsey Blincow, sophomore Alysha Bonnick and junior Bree Thornton all converted their penalty kicks against Illinois goalkeeper Alexandra Kapicka. The Illini made their fourth of five attempts and Kapicka made a save on senior Mallory Forst's shot to send Illinois to the sweet sixteen. Illinois dominated early play in the second half and the Illini went up 1-0 in the 56th minute when Jackie Santacaterina flicked a ball up to Chichi Nweke. The forward fired a 14-yard shot past Dittamore and into the lower far post. Missouri responded in the 74th minute when junior Michelle Collins played a ball up to sophomore Alysha Bonnick, who sent a pass to a wide open Mallory Stipetich. The freshman one-timed a 15-yard shot to the left of Kapicka and into the net for a 1-1 game. Regulation and overtime ended with both teams tied at 1-1 so the contest went to a shootout.

2012

NCAA Tournament First Round
Nov. 11, 2012 • Columbia, Mo.

Illinois 1, Missouri 1 (3-0 PK)

COLUMBIA, Mo. - Following a 1-1 game after 110 minutes of play between Mizzou and Illinois in the first round of the NCAA Tournament, the contest went to a penalty kick shootout, where Illinois advanced. The Tigers outshot the Fighting Illini 28-19 in the contest but had numerous shots hit off the post.

The Tigers could not convert on their first three penalty kicks, while the Fighting Illini made their first three attempts to advance. Illinois went up 1-0 in the 19th minute but Missouri battled back and used a goal from junior Danielle Nottingham to knot the score at 1-1 in the 53rd minute. Redshirt-freshman Lauren Flynn played a ball across the field to Nottingham, who was stationed outside the left corner of the box. Nottingham ripped a 20-yarder that sailed past Illinois' goalie and into the upper left netting. The tally was Nottingham's first of the season and ninth of her career. Flynn earned her first career assist on the play.

Mizzou sent a flurry of six shots toward the goal in the final nine minutes of regulation but could not take the lead. With just seconds remaining in the second half Grant blasted a shot but it flew just wide left of the goal. Following a scoreless first overtime session, the Tigers again seemed likely to score in the second overtime. The home team managed to earn three corner kicks and got off three shots but again could not score to send the contest to a penalty kick shootout.

NCAA Tournament First Round
Nov. 16, 2014 • Lawrence, Kan.

Missouri 3, Kansas 1

LAWRENCE, Kan. — Senior Taylor Grant tallied two goals and junior Reagan Russell added another as the Mizzou soccer team advanced to the second round of the NCAA Tournament with a 3-1 win over Kansas in Lawrence, Kan. The Tigers improved to 12-6-3 on the season, while the Jayhawks ended the year with a 15-6 record.

Missouri was on the attack from the first whistle and wasted no time scoring the first goal of the match. Junior Reagan Russell sent a long cross from the right side of the field to the far post. Grant, stationed near the post, chested the ball down into the net from a yard out for a 1-0 Tiger advantage.

Grant struck again early in the second half for a 2-0 Mizzou advantage in the 51st minute. Senior Kaysie Clark played up a perfect pass to Grant, who ran onto the ball at the top of the box. The Kansas keeper came off her line but Grant took a touch and sent a low shot past the goalkeeper and into the lower left netting for her team leading ninth goal of the season. A goal from the Jayhawks in the 57th minute cut Mizzou's lead to 2-1 to give Kansas some hope. In the 66th minute, Russell ran down the right sideline, ran into the box and slotted a low shot from 10-yards out into the far post for a 3-1 Missouri lead.

NCAA Tournament Second Round
Nov. 21, 2014 • Stanford, Calif.

Washington 1, Missouri 0 (OT)

STANFORD, Calif. - No. 24 Washington scored 1:03 into overtime to end the Mizzou soccer team's NCAA Tournament run with a 1-0 loss to the Huskies in the second round at Stanford, Calif. The Tigers and Huskies played 91 minutes of scoreless soccer before Washington ended Mizzou's season in extra time.

Early in the first overtime session, Washington's Kimberly Keever made a run down the left flank, cut into the box and unleashed a right-footed attempt toward goal. The shot flew over redshirt senior keeper McKenzie Sauerwein's arms and into the right side netting for the winner. The Huskies had a 17-10 edges in shots, although second half saw both squads send five attempts on net.

NCAA Tournament First Round
Nov. 13, 2016 • Lawrence, Kan.

Kansas 1, Missouri 0 (OT)

LAWRENCE, Kan. – Kansas scored 40 seconds into the second overtime session to earn a 1-0 win over the Mizzou soccer team in the first round of the NCAA Tournament at Lawrence, Kan. The game was close throughout but the Jayhawks struck on a close-range shot to end the Tigers' season.

After 100 minutes of scoreless soccer, the Jayhawks used a five-yard strike from Lois Heuchan only 40 seconds into the double overtime to give the home team the win. The ball was crossed across the goal to Heuchan, who calmly beat Mizzou sophomore keeper Kelsey Dossey to the right netting.

The contest was evenly matched, with Kansas owning a 17-14 edge in shots and both teams committing eight fouls. The Tigers did have a 12-6 advantage in corner kicks, including a 10-3 lead in the second half and overtime.

Freshman forward Sarah Luebbert nearly put Mizzou up in the third minute when she received the ball at midfield and raced toward goal. However, the freshman's final touch was a bit heavy and the Kansas keeper came off her line to block Luebbert's 12-yard shot.

The Tigers' best chance of the day came from the foot of senior defender Erin Webb in the 81st minute. She dribbled into the box and unleashed a left-footed strike that sailed inches over the crossbar.
